

## Have You Heard?

by Dorothy McCain Elsenius

Congratulations to Ron Headington and Gil Frees, who are opening a branch of their Albany Real Estate office on Shattuck Avenue in Berkeley.

Bob Flynn, Bertha Michell and Jill Hayes from the Albany office will staff the new branch, with an occasional assist from bosses Gil and Ron. It's nice to hear that business is so good!

Lot and lots of celebrating going on this month, with so many of our local residents observing their birthdays or anniversaries. Among those to be congratulated for having been born in the month of October are: Del Wison, Art Longpre, Wayne DeTar, Jack Chubb, Jack Labadie, Bob Luoma, and Postmaster Bob Carlson.

Wedding bells rang in a long-gone October for: May and Harold Olson, Nancy and Alex Davis, Dorothy and Joe Villa, Winifred and J. J. Sturgeon, Jean and Joe Pagna, and Rosita and Bill Rothchild. Hope we haven't left anyone out—and congratulations one and all.

Poor Larry Baum had a big problem to solve earlier this month when he heard that "opening night" for his thespian wife and daughter would be the same night—but in two different locations.

Daughter Laurene was opening a Point Richmond in the "Torch" (Continued on Page 3)

## Retirement For McLeod

Albany Police Sergeant James McLeod will retire on November 1, after more than 30 years of service with the City.

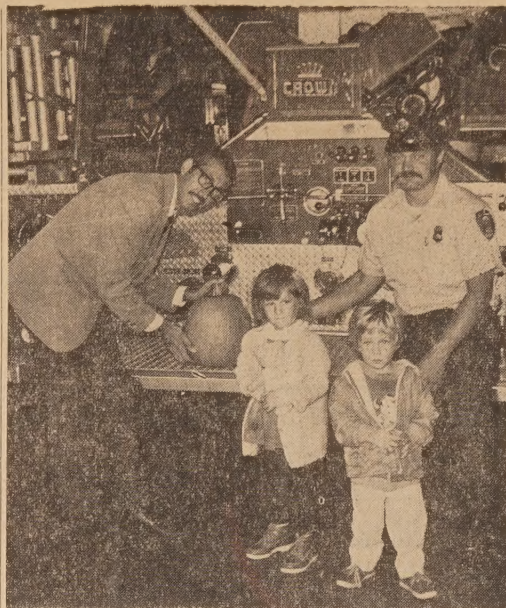

"Mac" became a City employee in March of 1942, when he was appointed the City's poundmaster. On November 1 of the same year he joined the Police Dept. as a patrolman, and he made sergeant nine years later.

Mac has no plans for his retirement, except for an occasional fishing trip. He plans on remaining in Albany, where he and his wife, Elinore, maintain a home on Key Route Blvd. Their son, Bruce, is currently living in Concord; he is a Sergeant with the Contra Costa County Sheriff's office.

To give his many friends and fellow employees a chance to honor him, a retirement dinner will be held Thursday, Nov. 9.

The affair will be held at the Fratellanza Club, 1140 66th St., Oakland. Tickets, at \$5.50 per person, may be obtained at the Police Dept., the Fire Dept., or at the City Clerk's office at City Hall. The price includes the dinner, tax, tip and gift.

For further information please call Inspector Art Smith, 525-7300.

"HALLOWEEN IS FUN TIME — let's keep it that way," says Albany Junior Chamber of Commerce vice-president, Mel Straus, and Albany Fireman Mike Koepke, as they tell Iris and Ron Lior all about the "Great Pumpkin." The Jaycees and the Fire Dept. are issuing a list of do's and don'ts to make Halloween a safe time for children.

## Don't 'Dress to Kill'

Don't "dress to kill" when outfitting the children for Halloween cautions the Albany Junior Chamber of Commerce and the Albany Fire Department.

Fire-safe costumes, whether purchased ready-to-wear or made at home, can help keep Halloween "a fun time" by saving members of the trick-or-treat set from accidents causing painful burns or even greater tragedy.

According to National Fire Protection Association studies the greatest Halloween hazard is the clothing fire. Here are some suggestions for helping make Halloween a happy, fire-safe occasion each time Oct. 31 rolls around.

1. Costumes should be labeled "flameproof" or if made at home should be flameproof material. Remember that any clothing will burn to some extent.
2. Avoid costumes with flimsy fabric, flowing sleeves, huge skirts—especially those traditional billowing robes of ghosts and witches, made of old sheets which easily catch fire when whipped

toward flames or sparks by the autumn wind.

3. Safest disguises are "natural" masks of cosmetic make-up or charcoal applied directly to the skin. Commercial masks, wigs and beards should be marked "flameproof."

4. Never use a lighted candle to illuminate a pumpkin. Keep children away from fireplaces, sparks or other sources of intense heat.

5. Be especially careful with the colored leaves, corn husks and similar tinder-dry materials used traditionally in autumn displays.

The Albany Junior Chamber of Commerce in cooperation with the Albany Fire Department urges parents to dress the youngsters in costumes light enough so motorists will see them, and short enough so the children won't trip over them. Finally, be cautious, small children should be in the charge of and in sight of a responsible older person at all times during their trick-or-treat fun.

Don't forget—turn your clock back an hour at 2 a.m. Sunday morning, or when you retire. We return to standard time then, and you could be late for work Monday morning if you forget!

## Councilman Gives Views

Because Albany Councilman Hubert Call has received numerous calls from local citizens, asking why he recently voted against the Council's endorsement of the Albany School Bond Measures H & I, he has decided to make a public disclosure of his reasons.

"I feel that I owe it to the citizens of Albany who put me in office, to explain why I chose not to endorse the proposed school bond issue," he stated.

"I am definitely not against the schools, nor the children, and I have always been for 'Albany schools for Albany children.' My own children both received their education from Albany schools and are graduates of Albany High School. I am just against this particular proposal.

"To put an Albany school in another city and county is just unbelievable, as well as unnecessary and impractical, as far as I am concerned," he commented.

"If this middle school is constructed in Cougar Field, our Albany students will be exposed to great dangers every day in just going to and from the school yard, as they will have to pass through a lumber yard filled with busy trucks and equipment in order to gain access to the school grounds.

"I also believe it would be better," the Councilman noted, "to purchase some of the property adjoining Cornell School so we could expand that school while rebuilding it—thus keeping the facilities in a more central location, where our children will not have to travel clear across the city to attend classes."

In further commenting on the proposed "middle school," Councilman Call said: "If it is really necessary to have another school building in Albany (and I am not convinced it is), I would like to see the School Board negotiate with the University of California regents to secure some of the University's unused Albany property.

"I voted against the Council's endorsement of these measures because I believe Albany Schools should be in Albany, and should be for Albany children. I intend to vote 'NO' on Measures H & I on November 7 for the same reason," he concluded.

"ANYONE FOR SPAGHETTI?" asks Councilman George Hein, as he prepares to give Kathy McKenna (Miss Albany) and Hal Denham, Chamber of Commerce manager, a taste preview of what's on the menu for those attending tomorrow night's "Y Spaghetti Feed." The dinner will be held in the Cornell School cafeteria, from 5 to 8 p.m., and it will be "all you can eat" for \$1.25. Children under 5 can eat free. Tickets are available at the Chamber office, and will also be available at the door.

## Council Agenda

The Albany City Council met last night for their regular weekly meeting, a delay of one day due to the observance of Veterans Day on Monday.

Communications on the agenda included: communications from several Albany residents regarding school crossing guards, and several letters from others regarding Ordinance 72-011 setting up qualifications for the Chief of Police, and one from Herbert Rubin, chairman of the Albany Civil Service Commission regarding the rules and regulations to govern lateral entry of patrolmen into the Albany Police Dept.

Correspondence relating to the continued public hearing on the rezoning of a portion of the Albany Hill property owned by Interstate General Corp. included the final Environmental Impact Report, submitted by administrative officer, James Turner; a letter from Friends of Albany Hill, regarding the EIR prepared by Applied Science and Resource Planning, and a letter from James and Betty Babcock, owners of Norge Laundry and Cleaning Village, offering their name to be used as being in favor of the project.

Correspondence from Governor Ronald Reagan invited Mayor Joe Carlevaro to participate in the selection of deserving youth for the Young American Medals for Bravery and Service.

Under "unfinished business" was a continuance of the request of IGC for a use permit to construct their planned unit development at the base of Albany Hill; the resolution confirming the appointment of Officer Richard King Haugner as permanent patrolman in the Albany Police Dept.; a resolution extending appreciation to E. C. Van Eckhardt for his service on the Albany Traffic and Safety Commission, and a resolution opposing Proposition 20 on the November 7 ballot.

## Safe Trick or Treat Plan

Fewer chocolate bars and canned apples will find their way into little "trick or treaters'" Halloween sacks this year if Steve Peat, manager of McDonald's restaurant in Berkeley has anything to say about it.

Citing the increase in the number of tragedies resulting from children biting into "treats" that have been laced with LSD, razor blades, or other dangerous devices, the Berkeley McDonald's and all San Francisco and Monterey Bay Area McDonald's are offering Halloween gift certificates. Currently available, the certificates are redeemable for any regular 15-cent soft drink and can be purchased for only five cents each or in booklets of 20 for \$1.00. Besides their safety value, the certificates make a unique treat for hobgoblins, pirates and fairy princesses who come knocking at the door.

"In offering the trick-or-treat safety plan, we hope to lessen parents' worry about hazardous substances hidden in candy, fruits and other hand outs and restore a little of the old-fashioned Halloween fun," Peat explained.

McDonald's also recommends

that trick or treating be done before dark and only in familiar neighborhoods. Costumes should be fireproof and have reflective surfaces attached both front and back. Any unusual incidents occurring in the area of any McDonald's restaurant on Halloween can be reported to the manager who will immediately call the fire department, police or other authorities.

## Spaghetti Dinner Set For Tomorrow

A larger than ever crowd is expected at the Cornell School cafeteria, tomorrow night between 5 and 8 p.m., where it will be "all you can eat" of spaghetti and trimmings, for \$1.25 for adults, and children under 6 yr. free.

Those attending the "Y Spaghetti Feed" will also be given a free ticket for the Albany Bonanza drawing of \$500 worth of prizes to be given away on November 1.

Proceeds from the dinner will go to support the many youth programs sponsored by the Albany Y.

## Scholarship Deadline Near

Albany area high school seniors are being reminded by Richard Miles, Albany Chamber of Commerce president and manager of PG&E's Berkeley-Albany office, that only one week remains for them to file applications for 16 company-sponsored 4-year college scholarships.

Each of the scholarships, which will be awarded next spring, is worth \$4,000. Of the 16 scholars-

ships, 12 will be apportioned among geographic operating divisions of the company in Northern and Central California.

Winners are chosen on the basis of both scholarship and extra-curricular achievements of student candidates. Additionally, the company will award two scholarships to minority students based on achievement despite disadvantages. Community leaders will be judges in the selections for all scholarships.

Deadline for filing is October 31, and applications are available from high school counselors or through any PG&E office.

This is the seventh consecutive year of the awards, made in memory of the company's late president and board chairman, James B. Black.

Two scholarships will also be awarded to students whose parents or guardians are employees of PG&E.

## Would Local Control Be Lost At New Middle School?

By Jim Scoggins, Chairman  
Committee to Save Cougar Field

The Committee to Save Cougar Field is not opposed to new school buildings, and we are not opposed to a good educational program. We are not opposed to tax increases to pay for the improved school program. Most of us have supported every school bond measure in the past, however, we do not believe that the proposed school plan is good for the students or the citizens of Albany.

We tried to convince the Citizens Advisory Committee and members of the School Board, that this plan was bad for Albany. The only people that would listen were Bob Nehls and Jack Rosano—all the others had made their decision to force this plan on the District. We had no other choice—we would oppose the school bonds.

We asked a number of questions about the middle school that would be built on Cougar Field, which is in El Cerrito. Mr. Forry has answered some of those questions: he said El Cerrito students can not be forced on us, yet El Cerrito students are enrolled in our schools now, with our approval. He also said the El Cerrito Police and Fire Departments would be responsible for this school.

This means that students in this proposed middle school (6, 7 & 8 grades) will be treated differently than the other students who attend school in Albany. If a student's bicycle is stolen, the El Cerrito Police will be called

and all reports must be made at the El Cerrito Police Station. Should a student get into trouble, he or she could be taken to the El Cerrito Police Station, and on to the Martinez Detention Home, if necessary. This could be a problem for parents and students, because of the lack of local care and understanding.

Should a student, because of sickness or injury, require medical attention, he or she will be taken to Brookside Hospital in San Pablo. We understand our local doctors are not allowed to practice at Brookside because it is a Contra Costa County hospital. I would hate to have my child taken to Brookside hospital, as I would have to have him transferred back to Albany, Alta Bates or Herrick, before he could be treated by our family doctor.

We have had a good school system in this city for many years, and if we are going to change the system, we must be sure that the change is for the better. We know of many people in Albany, from all walks of life, who are opposed to this proposed school plan. They don't believe we need a sixth school, and they are very upset because the leaders of our School District would recommend this school be built on the only athletic field in the District.

We must go to the polls on November 7 to decide this issue. We must vote "NO" and force the School Board to come up with a school plan that is sound and acceptable to the voters of this District.

The Citizens Advisory Committee was split on this plan. The School Board was split on the

plan (3-2), and the City Council was split (4-1). We know the leaders of this community are not all in agreement on this school plan, yet the School Bond Committee, with their hard-sell, seems to think we are a flock of sheep, with no minds of our own. I believe we do have minds of our own, and we will study the plan from all angles—and we will decide what is best for our children.

We know that the pressure is on the students. They are asked if they like double sessions and the hours, and if their parents like the hours. They are told it will all end if we vote "YES." This, we all know, is high pressure on little children, but you should not let this pressure force you to vote for a plan that is second best.

The Committee to Save Cougar Field urges you to vote "NO" on School Bond Measures H & I. We believe there is a better plan, but you have the power of the vote.

## CHURCH NEWS

The Rev. Harold D. Schock, American Baptist Missionary to Hong Kong, and formerly to Burma, will speak at this Sunday's 7 p.m. service at the First Baptist Church of Albany.

Pastor Larry R. Campbell will bring the Reformation Sunday message, entitled "Here We Stand" at the 11 a.m. service.

Visitors are most welcome at either service.

A workshop for choir directors, assistant directors and accompanists will be held in the Iona Room of the Park Boulevard Presbyterian Church in Oakland, Saturday, Oct. 28, from 10 a.m. to 4 p.m.

Four basic areas will be covered: program building, dealing with change (especially growth), leadership training, and conducting skills.

Cost for the workshop is \$2.50, and participants are asked to bring their own lunch. For further information please call 530-5311.

Which ever way you decide—exercise your right to vote!

## Shall We Have A 'Yule Pool'?

Does Albany have any servicemen who will be away from home at Christmas? This is the question being asked by the Albany Chamber of Commerce, in order to make plans for their annual "Yule Pool."

The Chamber is willing to continue sending a Christmas package to each away-from-home Albany serviceman, but they must know who they are in order to shop for the gifts, package them and get them in the mail in time for delivery by Christmas.

The Chamber is asking that anyone knowing of Albany servicemen who will be away dur-

But, he solved his problem and made both women happy, by attending Laurene's dress rehearsal and Helen's opening night.

And in between her rehearsals, Ben Baum is helping to finalize

the 3rd annual March of Dimes Golf Tournament, to be held at the Richmond Golf and Country Club on Monday, Nov. 6.

Helen has been a dedicated March of Dimes worker for many years, and the MOD Golf Tournament was her brain child.

Reports from various colleges and universities indicate that our Albany area young people are doing quite well in their studies.

Bernadette Ann Benz of Albany, a straight A student, has quite naturally made the Dean's

Paul B. Trow, of 19 Kensington Ct. in Kensington, has received a letter of commendation for his outstanding performance in the National Merit Scholarship

competition. Paul is also a senior at the College Preparatory School.

Have you heard... about the special breakfast now being served at McDonald's? While they usually specialize in hamburgers, McDonald's is now offering a quick and tasty breakfast for the hurried morning commuter.

Breakfast consists of a hot, buttered English muffin and jelly, along with a fried egg and a slice of Canadian bacon. Add a cup of delicious coffee and you have a good breakfast to start your day. Try it—you'll like it!

And, have you noticed the unusual window display at Security Savings and Loan on Solano? It's an exhibit of items from the early California mining days, courtesy of Mr. John Giacomini.

A highlight of the display is a book recording the pay received by the miners in those early days. You won't believe it! But then, maybe living wasn't so complicated and you didn't need much in those times.

Ladies, don't be surprised if friend hubby launches into a discussion of noise pollution, the next time you ask him to mow the lawn or trim the hedge.

He has probably been reading a recent U.S. Forest Service pamphlet which claims that plants make life more peaceful. They fight noise pollution by soaking up the sound near its source, according to the report. Even low-level vegetation, such as grass and flowers, contribute to a quieter environment.

So don't be surprised if your

# Halloween For Blind Students

Albany High School student, Jan Wilson, will be playing hostess to children from the California School for the Blind, when these children are guests at a Halloween party given for them by the Red Cross Youth High School Council next Tuesday evening.

Guided by their sighted hosts, all of whom are volunteers from various local high schools, the blind youngsters will go "trick-or-treating," early in the evening. Residents in the neighborhood of the Blind School have been alerted to expect their visits, so the children will not be disappointed.

An old-fashioned Halloween party, featuring fortune telling, apple bobbing and dancing, is planned to take place at the school following the "trick or treat" expedition.

The Red Cross Youth Volunteers have been practicing leading each other around blindfolded, to prepare themselves for their guide duties on Halloween. The groups will be accompanied by Blind School staff members.

Mr. tells you all about how he is being a community leader in the never-ending battle against noise pollution—while he lets your lawn, hedges and shrubs grow wild.

Cablevision's Channel 6 will present a program devoted exclusively to the Albany School Bond issues on Wednesday, Nov. 1, at 5 p.m. and again at 7:30 p.m.

# Nursery School Holds Carnival

The Albany Parent Nursery will sponsor their Second Annual Village Halloween Carnival, Sunday, Oct. 29, from 5 to 8 p.m., at the Albany Community Center, 8th and Monroe Sts.

Many exciting game and fun booths will be in operation, including face painting, apple bobbing and pumpkin throw. There will also be a Haunted House so scary that children under 5 years of age will not be permitted in it unless accompanied by an adult.

On the dinner menu will be such American and foreign foods and delicacies as hot dogs, tacos, enchiladas, caramel apples, cider and many natural foods.

A costume parade for both adults and children will also be one of the many features of the Carnival.

The public is cordially invited to attend and have fun.

# Xmas Mail Deadlines

Suggested mailing deadlines for 1972 Christmas packages and cards, have been set one week later than in previous years, according to Albany Postmaster, Robert Carlson.

The October and November deadlines are as follows: Oct. 27, Surface Mail to Armed Forces in the Far East; Nov. 1, Surface and Space Available Mail (S.A.M.) to Armed Forces in the Near East; Nov. 7, Parcel Air Lift (PAL) mail to Armed Forces in the Near East; Nov. 11, Surface mail to Armed Forces in Europe; Nov.

17, Parcel Air Lift mail to Armed Forces in South and Central America, Africa, and the Azores.

Nov. 24 is the deadline for Surface Mail and Space Available Mail to the Armed Forces in Canada and the Arctic; Nov. 27, Space Available Mail to Armed Forces in Europe, and Parcel Air Lift to Armed Forces in the Far East; Nov. 30, Parcel Air Lift mail to Armed Forces in Canada and the Arctic; and all surface parcels to Alaska and Hawaii.

December mail deadlines will be published in the Albany Times early in November.

**On Measures H & I**

- **PROVIDE SAFE SCHOOLS FOR ALBANY STUDENTS**  
"I have never seen a school building in use in worse condition than Marin School." Statement by O.A.C. engineer.
- **END DOUBLE SESSIONS**  
1,500 students are now on double session at our one high school.
- **END OVERCROWDING OF SCHOOL SITES**  
Marin and Cornell school sites are totally inadequate by state standards for the 700-800 children that have attended in the past.
- **IMPROVE EDUCATIONAL FACILITIES FOR 6-7-8 GRADES**  
Albany is one of the few districts in the state to house eighth graders on a high school campus while keeping seventh graders at two elementary schools.
- **ENLARGE ATHLETIC FACILITIES**  
Provide adequate physical activities at Feeny (Cougar) Field for 6-7-8 grades without infringing on high school athletic facilities.
- **MAINTAIN HIGH SCHOOL PHYSICAL EDUCATION AND ATHLETIC FACILITIES**  
The football field, softball field, track, grandstands, field houses, and new scoreboard will remain intact.
- **KEEP NEIGHBORHOOD SCHOOLS**  
All kindergarten and primary pupils will be within easy walking distance of their schools.

## Cortese Speaks Out

Frank V. Cortese, Albany resident and AIP candidate for Congress, 7th District, spoke recently to a predominantly teenaged group, summarizing his position on Vietnam.

"I have always opposed the political conduct which involved us in Southeast Asia in the beginning and which has kept us involved in the horror of a no-win war through at least four administrations, both Republican and Democratic.

"Almost 50,000 American men have died; over 300,000 have suffered wounds; and more than 1,700 are missing in action or are captured prisoners of war.

"While American men have suffered, bled, died and languished for years in POW camps, the American government — including the present President and Commander-in-Chief, Richard M. Nixon — have expanded and encouraged trade and other forms

of aid with Russia, the Eastern European Communist satellites and Red China. This encouragement of aid and trade with those nations who directly and boastfully fuel the war machine of North Vietnam by the policy making leaders of the United States Government is grossly immoral and outright treasonous.

"Any government which sends its young men to war and then promotes trade and friendly relations with those who supply the material killing those men in the battlefields, deserves the complete repudiation of its citizens."

"This treasonous aid-trade business which constitutes an abandonment of American servicemen, POW's and MIA's, is the primary reason why I can no longer support the policies of the leaders of either the Republican or the Democratic political party."

## Modern Math For Parents

Many parents have discovered that something has happened to the mathematics courses their children are studying in elementary school. Homework assignments contain strange words or symbols and parents often find that they can no longer help their children with arithmetic problems. Bewildered parents might then ask such questions as:

"What are some of the new math concepts?" "What good are they?" or "What's different about the new way of doing mathematics?"

A New Math parent education course has been scheduled by the Albany Adult School, starting October 30. Mr. Jack McFarland, currently a teacher at Albany Middle School, will preside at all sessions. The Monday evening meetings will convene in Room 204 of Albany High from 7:30 to 9:30 p.m.

## Halloween Parade

Members of the Cornell School PTA will sponsor a Halloween Parade on Tuesday, Oct. 31, with prizes to be awarded in three categories: most original, scariest, and funniest.

The parade will begin at 12:30 p.m., and will proceed down Talbot to Marin, down Marin to Stannage, down Stannage to Solano, up Solano to Talbot, and back into the school yard, and will last for approximately one hour.

This will be the first Halloween parade to be held at Cornell school for many years, and co-chairmen Pat Carlson and Claire Inoue, are hoping that everyone (parents and neighbors all) will join in the spirit of the day and turnout to see the children.

## Obituaries Walter D. Sutton

Friends attended last rites for Walter D. Sutton on Thursday, Oct. 19, at the Chapel of Ellis Olson Mortuary, Albany. Mr. Sutton was a 29 year resident of Albany, a native of Red Rock, Arkansas, a former member of Blue Lodge, F&AM of Arkansas, and passed away in Albany at the age of 78. He had been a teacher in the elementary schools in Arkansas before moving to Albany. He is survived by his wife, Carrie M.; children, Evelyn Heath of El Cerrito, Floy Torix of Pine, Clydus McMartin of El Sobrante and Glenn Sutton of San Ramon; sister, Gussie Reddell of Harrison, Arkansas, nine grandchildren and five great-grandchildren.
